

COLLEGE OF NURSING, HONG KONG 香港護理學院

Dear Members,

Revised guidelines for completing Clinical Nurse Specialist Application Form

We would like to notify you that College office **will not** verify the photocopies of documents and certificates which are submitted for accreditation with immediate effect. In the meantime, the applicants must provide these photocopies with verification by a senior nurse manager (e.g. Department Manager, GM (Nursing), professional (e.g. doctor, lawyer) or person who is upstanding in the local community (e.g. JP, regional and local council members).

Should there be any queries, please feel free to contact the College staff.

June LUI, President

College of Nursing, Hong Kong
