

Cheers! Welcome to the Nursing Team!

香港護理學院
College of Nursing Hong Kong

After graduate, continuous learning is a concept in professional development where you are given the opportunity to learn simultaneously while work.

To meet this objectives, College of Nursing, Hong Kong has made efforts in providing continual education opportunities for trained nurses over the years by offering refresher courses, clinical courses and management studies, seminars, conferences, study days, and workshops.

ABOUT CNHK

The College of Nursing, Hong Kong (the College), began as the Hong Kong Nurses Association in 1964, is an organization of nurses committed to professional excellence in nursing for the benefit of the health of the community. To emphasis the development of continuing education for nurses, the Association was renamed "College of Nursing, Hong Kong" in 1992.

ICN MEMBERSHIP

The College has become a member of the International Council of Nurses (ICN) since 1965. Our membership of ICN permits us to send delegates to the International Council through which we contribute to the international affairs of the profession.

MEMBERSHIP

You are eligible for ONE-YEAR \$0 membership if graduate during the period of 1 July 2021- 30 June 2022. Being the member of College of Nursing, Hong Kong, you will have chances to enhance learning and broaden professional horizons by participating in the college activities.

Once again, congratulations to your new career path.
We are looking forward to seeing you soon.
